

3DF 35001

PRECISION TO PERFECTION

LEOPARD 2 HEL

1/35 CONVERSION SET

① Back Hull

■ Remove ■ Flatten ■ Resin Parts

↔ Both Sides Kit Part Clear Part

This product contains 3D printed resin parts for upgrading plastic models. When upgrading the model some carefully cutting may be necessary for parts to fit accurately. This set must prepare for the model installation. You must paint it and add decals in order to make it realistic.

WARNING! This set contains small and sharp part. Work carefully in a ventilated and well-lit room. Safety glasses are recommended. This product is not suitable for children below 14 years of age.
